Attachment 1 Sponsor Procedures to Sign and Submit JB2 Form 0-180

The following acts as a guideline for approved sponsors regarding the policies and procedures for submitting JB2 Form 0-180 Applications IAW JBPH-H INST 5530.2. It is the responsibility of all members to familiarize themselves with instructions for base access.

a. JB2 Form 0-180 applications should be submitted no later than **10-14 business days prior** to the date access is requested. Sponsorship Letters must be submitted prior to the expiration of the sponsorship letter on file. JB2 Form 0-180 applications may be submitted in person to the JBPH-H Pass & ID Office or may be submitted electronically to the following org box: 647SFS.JB2.Form0-180@us.af.mil Once approved, the sponsor that signed the JB2 Form 0-180 application will be contacted via email or phone.

b. It is the responsibility of the sponsor to ensure the application and attached documents to include **SECNAV Form 5512/1 (EXP 31 May 2024)** are completed accurately. Only typed JB2 Form 0-180 applications with original signatures or digitally signed are accepted. Additional supporting documents and/or information may be requested based on the request.

c. If the applicant is a naturalized U.S. citizen or a lawfully admitted permanent resident, the applicant is required to show proof of U.S. citizenship with their Naturalization Certificate, U.S. Passport or U.S. Alien Card prior to issuance of a paper pass or DBIDS card and the information must be included on the **SECNAV Form 5512/1 (EXP 31 May 2024)**. Any applicant without proof of citizenship or approved Work Visa will not be granted access.

d. Criminal history checks are required for all unescorted personnel requesting/requiring access to JBPH-H who are 10 years of age and older. The Pass and ID clerk performing the background check will deny access when a record contains disqualifying factors or inconclusive disposition. Permanently Disqualifying Fitness Determination Standards can be found in JBPH-H INST 5530.2. The applicant has the burden of proof and is responsible for clearing criminal history disparities in their record prior to installation access being awarded.

e. If a background check on an applicant reveals any disqualifying factors, the individual will be issued a denial letter within **14 days** of their access denial and the sponsor will be notified. The disqualified individual may submit a written appeal with supporting documentation for JBC review via certified mail to the Denials and Waivers Office at the Pass and ID office. If the appeal is granted, the individual will be notified of their installation access privilege. If the JBC denies the appeal, a denial of appeal letter will be generated and signed by the JBC communicating the final determination. The Denial/Waiver process can take **60 days** from start to receipt of supporting documentation from the disqualified person. Approved waivers remain current for a period of **one year** from date of issue and must be renewed annually.

f. Until a waiver/appeal decision has been made, the person's access to the installation will be denied. Any subsequent requests for access via JB2 Form 0-180 applications or single/multi-day pass procedures will be viewed as an illegal attempt to gain base access which may result in criminal prosecution for the individual and loss of sponsorship abilities and/or contract for the requester.

g. Sponsorship letters for Non-DoD affiliates (i.e., NOAA, Museums, Navy League, Dept of Education, Credit Unions, etc.) will be routed to the Joint Base Commander for approval. Processing time may take **30 days**. Ensure your agencies memo is submitted at least **30 days** prior to expiration.

h. Sponsoring unit of foreign nationals will notify Pass & ID Office to declare unauthorized absence (UA) or absent without leave (AWOL). Sponsors are responsible to coordinate with SF (Pass & ID) to immediately flag the student and their dependents in local PACS.

i. It is the sponsor's responsibility to notify Pass & ID office when/if contractor refuses to return issued DBIDS/Multi-Day Pass. Also, if the contract has ended earlier than expected.
