

# JBPBH BASE OPERATIONS & SERVICES UPDATE

*June 18, 2020*

As the situation evolves regarding the spread of COVID-19, JBPBH is working daily to assess and implement measures to protect our service members, civilians, and their families. **We are at Health Protection Condition Bravo+.** You will continue to see changes geared toward matching social distancing and sanitation measures with what is recommended by public health experts. The following is the current status of MWR, accommodations, food service, retail, and other operations:

Executive summary changes: **Beginning 22 June, in-person by appointment services will be expanded to include all MFSC Programs; bowling returns tomorrow; Hickam Library opens next week.**

## CHILD DEVELOPMENT CENTERS & CYP SERVICES:

- Child and Youth Programs remain at contingency operating plan level 2. Level 2 operations are for mission essential/critical employees only. Parents who believe they fall into this category need to fill out the appropriate form and have it signed by an authorized command representative.
- To effectively accomplish level 2 operations, CDC operations have been consolidated into three locations – Wahiawa, Center Drive and Peltier. School Age Care Programs have been consolidated into our Hickam location. Sickness queries and temperature screening have been implemented for facility entry/re-entry.
- If any parents have any questions that they feel aren't being adequately addressed, they can contact CYP Management at the following numbers: 907-322-9658 or 808-375-1657.
