PMRF INSTALLATION OPERATIONS & SERVICES UPDATE

As the situation evolves regarding the spread of COVID-19, PMRF is working daily to assess and implement measures to protect our service members, civilians, and their families. We continue at Health Protection Condition Charlie. Below we offer relevant tips as well as the current status of MWR, accommodations, food service, retail, and other operations:

HELPFUL TIPS:

From the Office of the Governor:

Inter-island Travel Now Requires 14-Day Self-Quarantine: Governor Ige announced that anyone traveling between islands will now be required to self-quarantine in their home or other lodging for 14 days. This does not apply to those who are considered essential workers, but they are required to wear personal protective equipment during flights. This mandatory rule takes effect at midnight, Wednesday, April 1 and continues until April 30. It is intended to further stop community spread of the coronavirus in Hawai'i. The governor reiterated his top priority is the health and safety of Hawai'i's people and said it is "more important than ever to continue to practice social distancing. We cannot let our guard down."

State of Hawaii COVID-19 updates are available at <https://health.hawaii.gov/news/covid-19-updates/>. And as always, I continue to encourage you to like PMRF on Facebook, as several updates per day are available.

PMRF SECURITY:

- PMRF's Operations Gate (formerly North Gate) will be closed until further notice starting 1 Apr. Please use the Main Gate for access.
- PMRF Security forces are asking the following questions to help protect our personnel on base:
 - Have you traveled off Kauai since 1 Apr?
 - Have you traveled out of the state in the last 14 days?
 - Do you have a fever or cough?
 - Have you been in contact with someone who has tested positive for COVID 19 in the last 14 days?

Anyone answering yes to one of these questions will be asked to contact their supervisor immediately and, unless a base resident, restricted from entering the base until additional screening has taken place. Answering yes to these questions means either you should be home due to sickness or following Restriction of Movement (ROM) protocols. Please help our team and our community by staying home if you fall into any of the above categories.

- Naval Security Forces aboard PMRF are suspending enforcement of expired motor vehicle operators licenses, motor vehicle registrations and motor vehicle inspections. Personnel with an expired, or expiring, license, registration or safety check will be considered current and valid onboard the installation through August 15, 2020. Enforcement of all other violations of the Hawaii Motor Vehicle Code remain in full effect, and all hands are reminded to follow the posted speed limits and refrain from distracted driving onboard PMRF.

PMRF ADMIN:

- PMRF Admin is requesting limited traffic into the building to encourage social distancing. Personnel are welcome to call before conducting business.
- PMRF DEERS/ID section is currently performing time sensitive service only. Only individuals with time sensitive needs will be authorized entry. Eligible categories are: Initial CAC issuance; Lost/stolen CAC or Teslin ID cards, and CAC/Teslin Cards due to expire in the next 30 days. PMRF Admin Office highly encourages customers to schedule an appointment prior to reporting to our ID card facility or other Admin services.

CHILD DEVELOPMENT CENTERS & CYP SERVICES:

- Currently CYP (including School Age Care and CDC) is in operating level CYP-2.
 - Parents are required to self-care for own children at home if Navy full-time telework agreement during COVID-19 pandemic is executed. Parent fees will be waived and space saved.
 - Parents with other non-Navy full-time/temporary telework agreements, who normally work from home, or who are student spouses, are required to self-care for own children. Parent fees will be waived and space saved
- In an effort to limit caregiver and family exposure and to align with CNIC guidance, Child & Youth Programs will be restricted to the following personnel only: Single/Dual Active Duty, Single/Dual DoD CIVs, and Active Duty with a working spouse who cannot execute job functions via telework/self-care for own children.

SUPPLY:

- HHGs/POV: Due to Kauai having only one Transportation Service Provider Agent (Royal Hawaiian Movers) on island to service our military, HHGs scheduling is approximately 4 – 6 weeks out. For the most part, you are currently receiving emails with attachments on preparing for your move. Here are the steps to prepare for your pack out.
 - Prior to receipt of your PCS Orders if you are shipping Household Goods:
 - For those that are not registered in www.move.mil
 - Go to: www.move.mil
 - “Create a new account” to schedule your move.

- For those that have a Username and Password, there is nothing more for you to do until you receive your Orders.
- If you do not have a Username and Password, you would need to create a new account and register in DPS. Once registered or have a Username and Password, you will now need to wait for your Orders (you cannot enter your Household Goods application without your Orders).
- Upon receipt of your PCS Orders, please go back to the www.move.mil website and Sign In to DPS. Here you will create your household goods application, self-explanatory.
- Once you fully complete the application, it will come up with a “Submit” button at the very end. If you do not get this button, you have not completed your application.
- Click the “submit” button.
- Call x4949 to schedule an appointment.
- PCS/ETS/Separation/Retirement orders for the most part have been coming in timely so it is HIGHLY RECOMMENDED that as soon as you get your orders to get your application done in www.move.mil.
- If you have any questions, please feel free to call Ms. Tammy Perreira at x4642.
- For all Navy military and civilian PCS moves, Household Goods (HHGs) processes will continue under normal operations.

SUBWAY:

- Monday through Friday 9 a.m. to 1 p.m., pick up only.

*Other curtailments may be necessary based on local circumstances. We will continue to communicate additional changes as they arise.
