PMRF INSTALLATION OPERATIONS & SERVICES UPDATE

As the situation evolves regarding the spread of COVID-19, PMRF is working daily to assess and implement measures to protect our service members, civilians, and their families. We are now at Health Protection Condition Charlie. You should expect ongoing changes geared toward limiting larger gatherings and increasing social distancing to continue over the coming days and weeks. Below we offer relevant tips as well as the current status of MWR, accommodations, food service, retail, and other operations:

HELPFUL TIPS:

- From the County of Kauai: Beginning today, the Kaua'i Police Department is facilitating checkpoints at various locations around the island in response to the COVID-19 crisis. The purpose of this action is in support of Governor David Y. Ige's emergency proclamation and statewide order to stay at home, as well as Mayor Derek S. K. Kawakami's stay-at-home Emergency Rule #5. "It is urgent that our community respond to this pandemic and comply with these orders," said Kaua'i Chief of Police Todd G. Raybuck. "If this isn't taken seriously, our small island's healthcare system will not be able to withstand community spread of the virus. Please, stay at home and do your part for the wellbeing of our community." Violations are a misdemeanor and could lead to a citation, fines of up to \$5,000 or up to one year in jail.
- As stated yesterday, we respect state and county efforts to restrict movement, however, for the purpose of work-related travel, the Federal Government is exempt from this order. When commuting to work or headed home, have your CAC with you in case you are stopped by KPD.

GATE PROCEDURES:

PMRF Security forces are asking the following questions to help protect our personnel on base:

- Have you traveled out of the state in the last 14 days?
- Do you have a fever or cough?
- Have you been in contact with someone who has tested positive for COVID 19 in the last 14 days?
- Anyone answering yes to one of these questions will be asked to contact their supervisor immediately and, unless a base resident, restricted from entering the base until additional

screening has taken place. Answering yes to these questions means either you should be home due to sickness or following Restriction of Movement (ROM) protocols. Please help our team and our community by staying home if you fall into any of the above categories.

CHILD DEVELOPMENT CENTERS & CYP SERVICES:

- Currently CYP (including School Age Care and CDC) is in operating level CYP-2.
- Parents are required to self-care for own children at home if Navy full-time telework agreement during COVID-19 pandemic is executed. Parent fees will be waived and space saved.
- Parents with other non-Navy full-time/temporary telework agreements, who normally work from home, or who are student spouses, are required to self-care for own children. Parent fees will be waived and space saved
- In an effort to limit caregiver and family exposure and to align with CNIC guidance, Child & Youth Programs will be restricted to the following personnel only: Single/Dual Active Duty, Single/Dual DoD CIVs, and Active Duty with a working spouse who cannot execute job functions via telework/self-care for own children.
