#### PMRF INSTALLATION OPERATIONS & SERVICES UPDATE

As the situation evolves regarding the spread of COVID-19, PMRF is working daily to assess and implement measures to protect our service members, civilians, and their families. We continue at Health Protection Condition Charlie. Below we offer relevant tips as well as the current status of MWR, accommodations, food service, retail, and other operations:

#### HELPFUL TIPS:

- Recent heavy rains have created brown water conditions on Kauai beaches. Per the Hawaii Department of Health: "The public is advised to stay out of flood waters and storm water runoff due to possible overflowing cesspools, sewer, manholes, pesticides, animal fecal matter, dead animals, pathogens, chemicals, and associated flood debris. Not all coastal areas may be impacted by runoff, however, if the water is brown stay out."

#### PMRF SECURITY:

- Naval Security Forces aboard PMRF are suspending enforcement of expired motor vehicle operators licenses, motor vehicle registrations and motor vehicle inspections. Personnel with an expired, or expiring, license, registration or safety check will be considered current and valid onboard the installation through August 15, 2020. Enforcement of all other violations of the Hawaii Motor Vehicle Code remain in full effect, and all hands are reminded to follow the posted speed limits and refrain from distracted driving onboard PMRF.
- PMRF Security forces are asking the following questions to help protect our personnel on base:
  - Have you traveled out of the state in the last 14 days?
  - Do you have a fever or cough?
  - Have you been in contact with someone who has tested positive for COVID 19 in the last 14 days?
- Anyone answering yes to one of these questions will be asked to contact their supervisor immediately and, unless a base resident, restricted from entering the base until additional screening has taken place. Answering yes to these questions means either you should be home

due to sickness or following Restriction of Movement (ROM) protocols. Please help our team and our community by staying home if you fall into any of the above categories.

#### PMRF ADMIN:

- PMRF DEERS/ID section is currently performing time sensitive service only. Only individuals with time sensitive needs will be authorized entry. Eligible categories are: Initial CAC issuance; Lost/stolen CAC or Teslin ID cards, and CAC/Teslin Cards due to expire in the next 30 days. PMRF Admin Office highly encourages customers to schedule an appointment prior to reporting to our ID card facility or other Admin services.

#### CHILD DEVELOPMENT CENTERS & CYP SERVICES:

- Currently CYP (including School Age Care and CDC) is in operating level CYP-2.
  - Parents are required to self-care for own children at home if Navy full-time telework agreement during COVID-19 pandemic is executed. Parent fees will be waived and space saved.
  - Parents with other non-Navy full-time/temporary telework agreements, who normally work from home, or who are student spouses, are required to self-care for own children. Parent fees will be waived and space saved
- In an effort to limit caregiver and family exposure and to align with CNIC guidance, Child & Youth Programs will be restricted to the following personnel only: Single/Dual Active Duty, Single/Dual DoD CIVs, and Active Duty with a working spouse who cannot execute job functions via telework/self-care for own children.
