MEMORANDUM FOR DISTRIBUTION

Subj: EMERGENCY OPERATIONS CENTER DIRECTIVE 20-010A: INSTRUCTIONS FOR TEMPORARY LODGING FOR SEQUESTER

Ref: (a) JBPHH Emergency Operations Directive 20-005 (Series)
(b) CNO WASHINGTON DC 171541Z APR 20 (NAVADMIN 113/20)
(c) COMMANDER, U.S. PACIFIC FLEET GENADMIN OF CONSOLIDATED CPF COVID-19 GUIDANCE 2.0 15JAN21

Encl: (1) Temporary Lodging Request for Pre-Movement Sequester

1. Purpose. This directive provides instructions to tenant commands who require temporary lodging support for Pre-Movement Sequester. This is for eligible patrons who are directed by their command to restriction of movement away from their personal residence in order to reduce the risk of infection prior to deploying, getting underway or conducting operations. This does not apply to personnel who would otherwise require quarantine or isolation as described by reference (a).

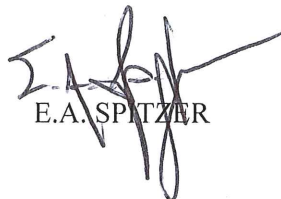

2. Action. The parent command or requesting activity will be responsible for supervising and coordinating support for those directed to sequester. For use of temporary lodging for pre-movement sequester, submit enclosure (1) at least 48 hours prior to check-in to the JBPHH EOC Information Cell at jbphh-eoc-infocell@navy.mil.

a. No-cost Temporary Lodging Sequester. Active duty Navy personnel assigned to homeported ships, which are not in-port, will be placed in the JBPHH Transient Personnel Unit (TPU) for the purpose of pre-movement sequester. Group requests for pre-movement sequester will be segregated from other TPU residents; but will be in close quarters lodging with shared rooms and bathrooms. Meals may be provided at no cost if coordinated in advance. If no-cost temporary lodging is unavailable, service members may use cost temporary lodging facilities.

b. Cost Temporary Lodging Sequester. Use of cost temporary lodging facilities for pre-movement sequester will be authorized so long as the individual would not otherwise require quarantine or isolation as determined by reference (a). Per reference (b), members in pre-movement sequester are not eligible for Restriction of Movement-Hardship Duty Pay (ROM-HDP).

3. Commands will be notified of approval/disapproval of their request within 24 hours.

4. My point of contact for any questions regarding COVID-19 ROM guidance is the JBPHH EOC at jbphh-eoc-infocell@navy.mil. If unscheduled support is required after working hours, contact the JBPHH Command Duty Officer (CDO) at 808-864-2460.
